Subtask 11 REV 01 - Gold King Mine R9 ER.docx

Hi Amit,

I've compared the two TO forms and made the changes. Please see in red text on the attached TO form. This is the only inconsistent info I can see. Please let me know if I am missing anything else.

Thanks!

Thank you Ramon.

I will get started right away. In the meantime, would you update the TO form as it is not consistent with the original one used for TO 9019 MOD 22 (see attached).

Robert, Randy, Barbara, or anyone else, could you also verify if you approve of the request for OT from EQM? That way I can include that in the modification too.

Thanks.

Best regards,

Amit Raikar
